SACHIN SILVA

Software Engineer - Intern

As a Creative UX/UI designer and aspiring web developer currently pursuing a Bachelor's degree in Computer Science and Software Engineering at the Sri Lanka Institute of Information Technology (SLIIT), I am looking for an internship to build my skills while contributing to the industry and organization's growth.

EDUCATION

Sri Lanka Institute of Information Technology 2022- Present
B.Sc. (Hons) Computer Science and Software Engineering

Dharmasoka College Ambalangoda 2017
G.C.E. Advanced Level

PROJECTS

Fashion Store Windows Forms Application

Developed a comprehensive Windows Forms application for managing various aspects of a fashion store. The application includes functionalities for handling customer information, payments, suppliers, warehouse items, and employee registrations.

C#, .NET, SQL Server

Node.js Application for Financial Management

Developed a MERN stack application for managing financial operations, including bonds, loans, clients, collections, and employees. Utilized Express.js for routing and implemented CRUD operations.

MongoDB, Express.js, React, Node.js

Event Management Application

A full stack web application that allows users to create events, view events, and manage attendance.

React JS, Spring Boot, MySQL

CERTIFICATES / AWARDS

Nasa Space App Challenge 2021
Achieved "Global Connection Award"

Designthon 2021 SLIIT 2021
Achieved "Merit Award"

Designthon 2020 SLIIT 2020
Achieved "Merit Award"
